

Meet Ben

This page tells you about me.

My job

I am a **neuropsychologist**.

I look at how people **think, learn** and **remember**.

I work at **Outcomes Lab**.

Who I help

I help people aged **18 and over** who have:

- a **developmental** condition
- **mental health** needs
- a **brain injury**
- **dementia** or memory problems

How I help

I do an **assessment**.

I find out what is **easy** and what is **hard** for you.

I write a **report** with ideas that help.

What matters to me

I care about:

- you feeling **heard**
- you feeling **relaxed** and comfortable
- reports that are **clear** and easy to use

Fun fact

I found a **stray kitten** in Sydney.

His name is **Olive**.

He lives with me in Melbourne now.

Where I work

I work across **Melbourne**.

I can come to your **home**.

Or you can see me in **Moorabbin**.

About Outcomes Lab

Outcomes Lab helps people with disability.

Our motto is **Evidence with Heart**.

We use ideas that are **proven** to work.

And we really **care** about you.
