

Meet Julian

This page tells you about me.

My job

I am a **neuropsychologist**.

I am also a **specialist behaviour support practitioner**.

I started Outcomes Lab. I lead the team.

Who I help

I help people who have:

- autism
- an intellectual disability
- a brain injury
- a disability and mental health needs
- been through hard things in the past

How I help

I try to understand **why** behaviour happens.

I work with you, your family and your support team.

Together we make a **plan** that works in everyday life.

What matters to me

I care about:

- you feeling **safe**
- you feeling **listened to**
- going at **your pace**
- being **honest** with you

Fun fact

My dog **Zeus** is our Wellbeing Ambassador. He does his job mostly from the couch.

Where I work

I work in **Melbourne**.

I can come to your **home**.

We can also meet on a **video call**.

About Outcomes Lab

Outcomes Lab helps people with disability.

Our motto is **Evidence with Heart**.

We use ideas that are **proven** to work.

And we really **care** about you.
