Meet Toby

This page tells you about me.

My job

I am a **behaviour support practitioner**.

I work at **Outcomes Lab**.

Who I help

I help **children** and **adults** who:

- are **autistic** or **neurodivergent**, or have **ADHD**
- have **mental health** needs
- have an **intellectual disability**
- have behaviour that can put them **at risk**

How I help

I find out **why** a behaviour happens.

Then I help find **safer ways** to manage things.

I work with your family, carers and support workers.

Together we make a **plan** that works every day.

Some plans have **restrictions**.

I help to reduce them safely.

What matters to me

I care about:

- support that **fits your life**
- a plan that **everyone believes in**
- ideas you can **use every day**

Fun fact

I take **photos** of nature and wild animals.

I love riding my **motorbike**.

Where I work

I work in **Port Lincoln**.

I also work across the **Eyre Peninsula**.

This includes **Coffin Bay, Tumby Bay** and **Cummins**.

I can come to your **home**.
